Benefit of the Month / Ohio PAC

ACCO and PHCC Ohio members unite to support the best qualified, pro-business candidates at the state level.

Your contribution has a greater impact when added to the contributions of other ACCO and PHCC Ohio members. With so much of your time spent on your livelihood, you alone can't influence elected officials. The more members who support PAC, the stronger our clout in the political process.

"30 in 15" PHCC Membership Drive!

The year-long campaign will grow PHCC membership across the state as chapters and their members reach out to prospective members in their area.

Thank you in advance for taking part in the future growth of PHCC!

Legislative Watch

HB 77, Contractor Registration There continues to be quite a bit of legislative intrigue and deliberate-confusion regarding HB77, the bill sponsored by Rep. Bill Patmon, D-Cleveland. This is specifically a registration bill dealing with home remodelers, not a licensure bill connected to our pending legislation. But, it's close enough in subject matter and substance that it confuses legislators and their staff members.

SB 58, Sewage Systems To authorize a property owner whose property is served by a household sewage treatment system to elect not to connect to a private sewerage system, a county sewer, or a regional sewerage system under specified conditions.

PHCC has been following SB 58, likely to be amended by the Senate into the budget bill. After an opt out provision was left out of the recently enacted ODH on-site septic rules, SB 58 would allow a property owner to opt-out of connecting to a sewer line given certain circumstances. The period of time is still under discussion, but is likely to be somewhere between 10-15 years.
