Billion Back Rebate A reminder that BWC will be returning over one billion dollars to Ohio employers starting in July. If you had an active workers' comp policy in the 2015 policy year and meet the eligibility requirements, you will receive 66% of your 2015 premium back in rebate form from BWC. The process will begin in July, if you are a private state funded employer. *The exception is for those employers who were in a group retro program in 2015...your rebate will be sent once the 2015 group retro refunds are released this fall.*
