NEW MEMBER BENEFIT / WorldPay Credit Card Processing

When PHCC member Greg Faustina, The Plumbing Source, recommended that PHCC Ohio check out WorldPay credit card processing, we were happy to find a benefit provider committed to the success of not only our association, but the members we serve.

Before recommending WorldPay to you, PHCC Ohio made the decision to use WorldPay and we are now accepting credit cards (We've also switched the Convention credit card processor to WorldPay and we will see at least a 30% savings!). Senior Account Rep Perry Pokrandt made the transition seamless and extremely easy. Perry has never failed to return a call or email and usually does so within an hour of contact. He has shown the utmost in customer service in every capacity possible.

We encourage you to have your credit card statements reviewed with Perry to see how much you can save. Current PHCC Board Members Greg Eisenhart, Dennis Schlekke, Paul Episcopo, Rick Seifert and Ron Schmitt are now experiencing rates below any competitors and *cannot* express how happy they are with both the savings and the service they have received from Perry and WorldPay.

Contact Perry today to see how much you can save on your bottom line.
