#### PHCC Benefit of the Month – Speedway Fuel Program

The Speedway Fuel Program is a benefit that any PHCC member can use and one that can save substantial money. To date, participating PHCC members have saved over \$20,000!

PHCC members can save up to 5 cents per gallon of gas. This is based on the total usage by PHCC members (50,000+), so if you only have 1 or 2 trucks, your discount is based on the monthly consumption of all our members.

**Updated Info / Ohio Business Initiatives** HB 486 *allows contractors who are in good standing to take 8 hours continuing education (instead of 10 hours) and renew 1, 2 or 3 years at a time.*

For *electrical*, half of the 8 hours (4 hours) must be in electrical code. This incentive program is NOT for contractors who renew late or are disciplined for violations. **So, from January 1, 2015 thru December 31, 2015 any contractor who renews late or has other violations, are not eligible for this incentive program.** They must continue taking 10 hours and renew yearly.

***Beginning, January 1, 2016 only those contractors who were in compliance in 2015 will be eligible for the 8 hours and 1, 2 or 3 year renewal.*** So, the 8 hours continuing education and renewal of 1, 2 or 3 years will not start until **January 1, 2016.**
