Benefit of the Month / Advocacy

This is the most important benefit you never even know is taking place. PHCC is constantly reviewing, attending and submitting requests, recommendations and legal opinions to ensure the most advantageous climate and policies for our members. We interact with state elected officials and government agencies almost daily as well as keeping ahead of issues that will affect you.

SAVE THE DATE / OHIO LEGISLATIVE DAY / TUESDAY MAY 15

Join other contractors from around Ohio as we meet with our elected legislators to discuss residential licensing. Before heading to the Statehouse, we will hold a briefing to prepare you for our meetings.
