SOARING TO NEW HEIGHTS

“30 in 15” PHCC Membership Drive!

The year-long campaign will grow PHCC membership across the state as chapters and their members reach out to prospective members in their area.

Thank you in advance for taking part in the future growth of PHCC!

REMINDER / License Bond Program

The PHCC Bond Programs allows members to purchase plumbing, HVAC, sewer and water bonds at a discounted cost for all municipalities in which they work.

The program is underwritten by Federated Insurance with the guidance and support of PHCC. The association works very closely with Federated and municipalities throughout Ohio to insure that the bond program covers member needs.

The next time you come an association event, look around at your fellow members. More than half of the people you see may be associate members. These are people who are essential to the PHC industry and help enable our contractors provide consumers with quality products and services.

Associate members are essential to the local, state and national associations, offering sponsorships, devoting countless hours at committee meetings and volunteering at special events, and strengthening our industries in the process.

PHCC has always appreciated the dedication and enthusiasm of its associate members. We urge all members to get to know one another better, learn about each other's businesses and whenever possible, do business with other members.

Benefit of the Month / Legal Services Plan

Each PHCC Ohio member receives one (1) consultation per month by phone, or one office conference, at no charge. PHCC members have the opportunity to discuss legal issues and resolve general questions and concerns. Consultations and conferences are based on existing knowledge of the attorney without further research and analysis and without review of lengthy legal documents.

For more information, contact Dunlevey, Mahan & Furry at 937-223-6003 (Additional services are offered to members on a preferred hourly basis. Court costs, filing fees and miscellaneous disbursements are to be paid for by the member, and itemized by the firm).
