Benefit of the Month / Speedway Fuel Program

The Speedway Fuel Program is a benefit *available only to PHCC members*. To date, participating PHCC members have saved over \$40,000!

PHCC members save 5 cents per gallon of gas. This is based on the total usage by all PHCC members (50K+ gallons), so if you only have 1 or 2 trucks, your discount is based on the monthly consumption of all our members.

Legislative Watch

We've made a request to the Dept. of Commerce, to host an interested parties / key stake holders' group meeting to discuss the proposed Residential Contractor Licensing bill. Earlier this week, Zack Prouty, Legislative Liaison and Matt Close, Assistant Director, contacted us and will forward several dates in July to all parties involved for the meeting. We can only take the upcoming meeting as a positive step forward.
