**Benefit of the Month / License Bond Program**

The PHCC Bond Programs allows members to purchase plumbing, HVAC, sewer and water bonds at a discounted cost for all municipalities in which they work.

The program is underwritten by Federated Insurance with the guidance and support of PHCC. The association works very closely with Federated and municipalities throughout Ohio to insure that the bond program covers member needs.

**“30 in 15” PHCC Membership Drive!**

The year-long campaign will grow PHCC membership across the state as chapters and their members reach out to prospective members in their area.

Thank you in advance for taking part in the future growth of PHCC!
