PHCC Benefit Reminder – License Bond Program

The PHCC Bond Programs allows members to purchase plumbing, HVAC, sewer and water bonds at a discounted cost for all municipalities in which they work.

The program is underwritten by Federated Insurance with the guidance and support of PHCC. The association works very closely with Federated and municipalities throughout Ohio to insure that the bond program covers member needs.

Residential Licensing Update Our legislative agents continue making contact and having conversations with the legislative staff of Sen. John Eklund (R-18), the likely sponsor. Sen. Eklund received feedback on a draft bill from interested parties and has now resubmitted that draft for revision to the Legislative Services Commission (LSC). As of this writing, they have not yet received any return documents from LSC and will notify us quickly upon receipt.
