Be Aware So You Can Avoid This Top 10 List: OSHA Violations! Far too many preventable injuries and illnesses occur in the workplace. Enforcing workplace safety regulations is the Occupational Safety and Health Administration's (OSHA's) primary responsibility. Each year, OSHA publishes a list of its 10 most-cited violations so employers can take steps to find and fix recognized hazards. What topped the 2014 list? [Find out here.](#)

Updates from PHCC National There have been a lot of updates to the PHCC website since CONNECT 2014.
