PHCC Benefit of the Month / Education and Training

PHCC members who upgrade their work skills and knowledge not only keep up with the latest technologies and business techniques, but receive other benefits, such as boosting their professional image, increasing their level of expertise, increasing profits and putting themselves at the cutting-edge of the PHC industry.

PHCC, at the local, state and national levels, is the leading provider of technical and business education and training for PHC contractors, managers, and other personnel.

Legislative Update Work continues on the Residential Contractor Licensing bill. Numerous contacts and conversations have been had with the legislative staff of Sen. Jim Eklund, R-18 (the sponsor), in order to facilitate and expedite a final "draft" version. Once we have a final draft, a meeting will be held with the Ohio Department of Commerce (Only a short time period remains in the current legislative session which will end 12/31/2014, and all existing legislation will expire).

May the message of Christmas fill your life with joy and peace. Best wishes to you and your family during this holiday season.

Association offices will be closed Dec 25 thru Jan 2 (we will be checking emails and phone messages)
