**PHCC Ohio Annual Meeting | Thursday, March 27** Mark your calendar now and join PHCC in Columbus for the Annual Meeting. This is your opportunity to review 2013 activities, receive an update from PHCC National and have the opportunity to receive year-end financials. You can also ask questions regarding the direction the Association will take in the future.

**PHCC Benefit of the Month | Workers Comp Group Rating**  
Group rating enables PHCC members to receive as much money as possible from the BWC maximum discount to a smaller percentage for companies with claims. Members receive discounts by pooling their individual experiences with the experience of other employers in the PHCC group (Available to contractors and associates of any size).

**EPA Announces 6th Annual 'Fix a Leak Week'** because more than 1 trillion gallons of water are lost annually across the U.S. due to easy-to-fix household leaks, the U.S. Environmental Protection Agency's (EPA's) WaterSense program has announced its sixth annual Fix a Leak Week will be March 17-23, 2014. Correcting household leaks can save homeowners an average of more than 10,000 gallons of water per year, or the amount of water in a typical backyard swimming pool.
