## Benefit of the Month / PHCC e.Learning Apprenticeship Program

PHCC now offers online plumbing and HVACR apprentice courses for apprentices who want a non-classroom based method of receiving their apprenticeship instruction. This program is recognized by the U.S. Department of Labor, Employment & Training Administration, Office of Apprenticeship, and is approved by the Ohio State Apprenticeship Council.

Each course is the equivalent of one year of classroom instruction. On-the-job training must be coordinated with a participating employer.
