Plumbing

HVACR

PROGRAM LEVEL

Select level

Please enable the above-named apprentice to enter the selected Plumbing or HVACR eLearning apprenticeship program and related training, and register the apprentice with the U.S. Department of Labor, Office of Apprenticeship, as applicable.

The undersigned employer subscribes to the provisions of the Apprenticeship Standards formulated and registered by the PHCC Ohio / ACCO Apprenticeship Program.

EMPLOYER NAME

The employer named above agrees to carry out the intent and purpose of the Standards and to abide by the rules and decisions of the Program Sponsor established under these Apprenticeship Standards.

We have been furnished a true copy of the Standards, have read and understood them, and request certification to train apprentices under their provisions, with all attendant rights and benefits, until cancelled voluntarily or revoked by the Program Sponsor or Registration Agency.

On the job, the apprentice is guaranteed assignment to skilled and competent journeymen. Work assignments will be rotated to ensure training in all phases of the trade.
